

Jim Atwood

MEMBER SERVICE AWARD

In it's short history, the Jim Atwood Service Award has quickly become the most coveted trophy to win at Convention.

The award is, at its core: a service award. It is given annually to the Franchise Member who, in the eyes of his/her fellow Members, does the most to help other Franchise Members in the system. This award is open to the Sign Division only.

Between Now and the End Of January

Franchise Members are asked to send nominations for potential winners of this prize. All nominations should list the name of the nominee and a paragraph or two explaining the reasons for the nomination.

- Nominations should be sent to Kim Delano at kimd@alliancefranchisebrands.com by 1/31/20.
- All names will be removed from the description and Senior Leadership at HQ will narrow the list down to no more than 5 potential winners.
- The current members of the FAB will vote to determine the recipient.

There will be one winner, regardless of brand, and they will be announced at the Convention.
